**THE DRUMMER BOY.**—The entertainment given last night by the Drummer Boy of Shiloh is something rarely seen in this section. The panoramic views were the best ever seen in this Opera House. Mr. Carrington's description of the battle of Shiloh is full and interesting. There was a good audience and all who did not hear him last evening should go this afternoon or evening.

## Saratoga

The Grand Imported Holstein bull, Saratoga (H. H. B. No. 3300) will stand at the ranch of S. P. Davis for the season. Terms of service have been reduced to suit the times. Inquire at this office or at the ranch.

S. P. DAVIS.

A. R. Carrington "The Drummer Boy of Shiloh," held his audience spell-bound for an hour and forty minutes at the Opera House Wednesday evening, with his vivid and realistic description of the great battle of Shiloh, showing about 60 superb views, maps and diagrams of the field, together with portraits of Abraham Lincoln and many prominent Union and Confederate Generals. Between the first and second parts of the programme Mr. Carrington introduced some of his remarkable drum solos, handling the drumsticks with a dexterity nothing less than marvelous, and in the great "Points of War" his imitations were perfect enough that any old soldier could almost imagine himself on the field of battle again.—Gazette.

## How Can Parents

allow their children to cough and strain and cough and calmly say: "Oh! it's only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by BEGG'S CHERRY COUGH SYRUP? It has no superior and few equals. W. H. Chedic, Druggist.

## Cough! and Cough! and Cough!

What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when BEGG'S CHERRY COUGH SYRUP will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. W. H. Chedic, Druggist.

## Stanley Again Heard From

ZANZIBAR, June 12.—A letter received here from Unuri, on the southeastern shore of Victoria Nyanza, dated December 2d, reports the arrival there of Stanley, with a number of invalid members of his force. The letter says that Stanley had sustained heavy losses, a large number of men having died from disease and famine. The explorer had rejoined and left Emin Pasha at Unyara, on the northwestern shore of the lake.

## What on earth

Is the reason people will not, cannot, or do not see any difference in cheap nos trums put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedic, Druggist.

The Walker, Iowa, News, says: "Our old friend, Robert Baird, of Muscatine, Iowa, has been Secretary of the State Senate, and an active politician for years, but was never generally known until he had the colic, and used Chamberlain's Colic, Cholera and Diarrhoea Remedy, and got into one of their advertisements. "Now he is famous." Here is what Mr. Baird said: "While in Des Moines, I was taken with a severe attack of bowel complaint. For two days I suffered intensely, trying several drug stores and paying them for relief, but in vain. I finally bought a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and two doses of that brought me out all right. It costs less than the drug store preparations and I have the balance for future use. I consider it a grand remedy." 25 and 50 cent bottles for sale by G. C. Thaxter.
